During the period of 03. June 2018 through 08. June 2018 Open Horizons is hosting its biggest annual event: the Open Horizons Summit. Purpose of this event is to have an international audience and give our partners as well as vendors in the Micro Focus Market the possibility to meet, exchange knowledge, learn and present them selves. In this year the conference will take place in Berlin.

As event coordinator we (Open Horizons) hereby ask you to grant our partner a Schengen-Visa to attend this year's Open Horizons Summit in Berlin.

In case of any question please do not hesitate to contact us.
